RE: Safety Data Sheets (SDS) for compliance with the Globally Harmonized System

Attn: Compliance Managers

In their finished state, our products fall under the exemption "Article" listed in the Hazard Communication Standard 1910.1200 Section (c). The standard provides the following definition shown below:

1910.1200(c)

*Definitions. Article* means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, *e.g.*, minute or trace amounts of a hazardous chemical (as determined under paragraph (d) of this section), and does not pose a physical hazard or health risk to employees.

This letter will fulfill the requirements of your Hazard Communication Program. If you have any further questions concerning our products please contact us.

Thank you,
